

Climate Days

Climate action in secondary cities

9-10 October 2018

CLIMATE DAYS | PROGRAMME

09.10.2018	INTEGRATING CLIMATE CHANGE IN SECONDARY CITIES : ISSUES, PRACTICES AND LESSONS TO SHARE
08:00-09:00	REGISTRATION
09:00-10:30	SESSION 1 : Opening session – Setting the scene
	Towards a low carbon economy – the international agenda <i>Minister of Energy and Environment, Marie-Christine Marghem</i>
	New climate vision of the Belgian cooperation – roles of the public and private actors in relation to the climate dimension, the new Belgian cooperation architecture <i>Minister of Development Cooperation, Alexander De Croo</i>
	Objectives of the Conference <i>Director Enabel, Jean Van Wetter</i>
	Organization of the conference <i>Facilitator, Ruben van der Laan</i>
	Climate Change challenges in secondary cities <i>Cities Alliance, Julian Baskin</i>
	The net Zero emissions objective in the EU for 2050 Discussion between Jérôme Meessen (<i>Climact</i>) and François Gemenne (<i>SciencesPo</i>)
10:30-11:00	COFFEE BREAK
11:00-13:00	SESSION 2 : Translating global ambitions into local action Supporting a vertical dialogue between (inter)national and local stakeholders
	The importance of involving local authorities in implementing national climate goals <i>ICLEI, Jisun Hwang and Felix Akrofi-Atitianti</i>
	Regional organisations as facilitators for implementing the national climate agenda at the local level - Agrhymet (Niger), Maguette Kaire
	National authorities supporting local climate action - AEDD (Mali), Drissa Doumbia
	Local climate action in the region of Koulikouro - Mayor of Nara (Mali), Boubacar Coulibaly
	Q/A to the panel of 4 speakers

13:00-14:00	LUNCH BREAK		
14:00-16:00	SESSION 3: Integrating climate change at the city level : exchange of innovative practices (in sub-groups) - Parallel sessions		
Group discussion 1 (Tanganyika): Urban planning and infrastructure (B. Legrand)	Group discussion 2 (Malawi): Waste management for an inclusive economy (C. Croizer)	Group discussion 3 (Turkana): The interests of rural-urban linkages (A. Laigneaux)	Group discussion 4 (Thac Ba): Climate change impact on water resource management (M. Lambert)
Keynote speaker : <i>UN-Habitat, Mathias Spaliviero</i> Setting priorities for adaptation / mitigation infrastructure investments, a spatial perspective in Rwanda, Senegal and Burkina-Faso	Keynote speaker .: <i>GIZ, Michael Funcke-Bartz</i> Effective solid waste management bring added value and innovation in secondary cities	Keynote speaker : <i>CIRAD, Thierry Giordano</i> Milano Urban Food Policy Act, territorial approach and food systems	Keynote speaker : <i>Ministry of Equipment, Transports, Logistics and Water (Morocco), Rachid Madah</i> The place of water management in the climate agenda
Case studies: <ol style="list-style-type: none"> Integrating climate change considerations into urban planning in South America – <i>KULeuven, Joris Scheers and Viviana d’Auria</i> Potential outcomes of climate down-scaling and hydraulic modelling to spatial planning in 3 Vietnamese coastal cities – <i>Enabel, Ian Wood</i> Sustainable architecture: the example of climate-adapted schools in Uganda and Palestine – <i>Enabel, Jan Van Lint and Alexis Doucet</i> 	Case studies: <ol style="list-style-type: none"> Waste management: legal framework, PPPs and financing – <i>GreenCrossroads, Thomas Poelmans</i> Waste management in Algerian secondary cities – <i>Enabel, Frédéric de Hemptinne</i> Waste sorting and processing in Mozambique – <i>Carbon Africa, Adriaan Tas</i> 	Case studies: <ol style="list-style-type: none"> The ECOMakala project in the Virunga (DRC) – <i>WWF, Mone Van Geit</i> Biodiversity and natural resources management in Peru- <i>Enabel, Frederik Prins</i> Food for the Cities program – <i>FAO, Guido Santini</i> 	Case studies: <ol style="list-style-type: none"> Integrated water resource management in Senegal and Morocco – <i>Enabel, Jérôme Chamoin and Mohamed Bouezmarni</i> Water management in Gaza province in Mozambique – <i>Enabel, Laurent Delucchi; DNAAS Program, Felicidad Julieta Paulo and Helder Cumbi</i> Steps for assessing climate change impact on availability of water resource – <i>SMHI, Phil Graham</i> Integrated water resource management in the Congo Basin – <i>GRET, Aline Hubert</i>

16:00–16:30	COFFEE BREAK
16:30-17:30	SESSION 4: Elements of convergences
	The facilitator reports each group’s main issues/findings/proposals
	<p>Discussion with the panel – panel of 4 speakers sharing their perspective, concerns and main learnings of the day:</p> <ul style="list-style-type: none"> ○ <i>KULeuven</i>, Joris Scheers ○ <i>Agrhymet</i>, Maguette Kaire ○ <i>MO* magazine</i> , Gie Goris, ○ <i>Cities alliance</i> , Julie Greenwalt

10.10.2018	MOBILIZING FINANCIAL FLOWS & DEVELOPING PARTNERSHIPS TO SUPPORT CLIMATE ACTION AT THE LOCAL LEVEL	
08:00-09:00	REGISTRATION	
09:00-10:15	SESSION 1 : New approaches and financial instruments International experiences	
	<p>Keynote speaker: Ghita Hannane, <i>UNEP Energy Finance Unit</i></p> <p>Overview of the financing channels of mitigation and adaptation projects in climate action</p>	
	<p>Introduction: Typology and cartography of instruments used in climate finance Kris Bachus, <i>KULeuven</i></p>	
10:15-10:45	COFFEE BREAK	
10:45-12:00	Presentations: New approaches for mobilizing additional (private) financing for local development – international experiences	
	Group discussion 1 (Tanganyika, L. De Muelenaere):	Groupe discussion 2 (Thac Ba, R. van der Laan):
	<ul style="list-style-type: none"> ○ <i>Global Innovation lab for Climate finance</i>, Gloria Coleman ○ <i>SIDA Guarantee Initiative (SWE)</i>, Erik Korsgren ○ <i>Global Climate Change Alliance (EU)</i>, Etienne Coyette 	<ul style="list-style-type: none"> ○ <i>EU external investment plan</i>, Paulus Geraedts ○ <i>FMO - Climate Fund Managers (NL)</i>, Darren Moens ○ <i>Green Growth Strategy Facility/Enabel (VN)</i>, Phung Van Quan
12:00-13:00	LUNCH BREAK	
13:00-14:30	SESSION 2: Handling constraints of secondary cities for climate action – Networks, partnerships and tools	
	<p>Set of presentations: Enhancing the local actors ability to attract and manage financial flows committed to mitigation and adaptation and identifying associated risks.</p> <ul style="list-style-type: none"> ○ <i>Fonds Mondial pour le Développement des Villes</i>, Jean-François Habeau ○ <i>Tractebel</i>, Filipe Fraga 	

	<ul style="list-style-type: none"> ○ <i>EUEI PDF</i>, Jan Cloin ○ <i>Enerdeal</i>, Grégoire de Pierpont <p>Discussion</p>
14:30–16:00	<p>SESSION 3: Towards enhanced cooperation and coherence in Belgian development institutions</p> <ul style="list-style-type: none"> ○ Scene setting: The Belgian institutional landscape and the burden sharing for climate (<i>DGD</i>, Chr. De Lannoy ; <i>Ministry of Environment</i>, P. Wittoeck) ○ Roundtable: Strengths, needs and opportunities of the present mechanisms and institutions. How can Belgian efficiency and effectiveness be improved? <ul style="list-style-type: none"> ○ <i>Directorate-General of Development</i>, Christian de Lannoy ○ <i>BIO</i>, Carole Maman ○ <i>Ministry of Environment</i>, Peter Wittoeck ○ <i>Finexpo</i>, Joeri Colson ○ <i>Brussels Capital Region - Climate Fund</i>, Julien Guillaume ○ <i>Enabel</i>, Jean-Yves Saliez
16:00-16:30	<p>SESSION 4: Wrap-up and closing discussion</p> <p>Discussion with audience and elaboration of conclusion with the facilitator</p> <p>Closing words by Jean Van Wetter, <i>Enabel</i></p>
	<p>CLOSING DRINK</p>

11.10.2018	BELGIAN DEVELOPMENT COOPERATION EVENT Integrating the climate dimension in the forthcoming portfolios : the case studies of Mozambique, Rwanda and Senegal		
09:00-09:10	INTRODUCTION How the climate agenda could be integrated within the Enabel interventions under preparation – structure and objectives of the workshop		
	MOZAMBIQUE (MALAWI) <i>Enabel, Muriel Lambert de Rouvroit</i>	RWANDA (TANGANYIKA) <i>Enabel, Benoit Legrand</i>	SENEGAL (TITICACA) <i>Enabel, Claude Croizer</i>
09:10–09:30	PRESENTATION OF THE CLIMATIC CONTEXT Overview for each country regarding climate change vulnerabilities and policies, with a focus on secondary cities		
	MOZAMBIQUE (MALAWI) <i>SPF Health & Environment, Lucas De Muelenaere</i>	RWANDA (TANGANYIKA) <i>SPF Health & Environment, Patricia Grobben</i>	SENEGAL (TITICACA) <i>SPF Health & Environment, Samuel Buys</i>
09:30–09:50	PRESENTATION OF THE PORTFOLIO		
	MOZAMBIQUE (MALAWI) <i>Enabel, Laurence Janssens</i>	RWANDA (TANGANYIKA) <i>Enabel, Mario Goethals and Jacques Peeters</i>	SENEGAL (TITICACA) <i>Enabel, Michel François</i>
09:50-10:00	COFFEE BREAK		
10:00–12:00	WORKING GROUPS Working groups for climate mainstreaming in forthcoming projects		
	MOZAMBIQUE (MALAWI) <i>Facilitator : Sofie Van Waeyenberge</i>	RWANDA (TANGANYIKA) <i>Facilitator : Ruben van der Laan</i>	SENEGAL (TITICACA) <i>Facilitator : Jean-Christophe Charlier</i>
12:00-14:00	LUNCH BREAK
